

DONNYBROOK FARM SERVICE

FARM EXPO and CANCER AWARENESS AUCTION DAY

Thursday, 18th September, 2pm to 8pm

Donnybrook Farm Service is once again hosting a Farm Expo day coupled with a Men's Health Message and fund-raising auction for Cancer Research. The day will commence at 2pm with 17 different supply companies showing new products.

PRESENTATIONS

- Stewart Learmonth from Department of Agriculture and Food WA to address growers on horticultural pests (mites and woolly aphid) in a dedicated session.
- Scott Paton from Nufarm will give a presentation on the necessity for good chemical rotation in viticulture to avoid chemical resistance.
- Two suppliers will give options for control of Mediterranean Fruit Fly.

DISPLAY

A new fencing trailer from Southern Wire, that contains all the materials to erect a fence in one pass, will be on show. A real time saver.

"Expo Specials for Today Only"

Many of the suppliers will have Expo Day Specials. These will be horticultural chemical, animal health products, the new Lubrimaxx oil range and more. To take advantage of the specials customers will have to place an order on the day.

DRINKING TIME

At 5.30pm we will have a few drinks and fire-up the BBQ for a nice steak and salad sit-down dinner followed by a light dessert. **If you are staying for the BBQ you have to RSVP.*

Donnybrook Farm Service invites you to have a nice steak and salad dinner followed by a brief after dinner presentation by local GP Peter Rae on men's health. Many men have been affected by life threatening illnesses that can be treated. For your health's sake, have a listen.

An auction of donated goods from the attending companies will complete the night. Partner of Donnybrook Farm Service, Steve Russell and Belinda Cooper (Glenn's wife), are participating in a 'Ride to Conquer Cancer' cycle in October. The auction proceeds will go towards their fund-raising efforts.

WHAT DO WE WANT FROM YOU? Participation – With some great opportunities on special deals.

RSVP: 12TH SEPTEMBER - If you intend to stay for the dinner, health presentation and auction, please let us know you're coming. **We want to feed you!!!**

Call Donnybrook Farm Service on 9731 1101 or John Campbell 0429 888 565
