

## ARE YOU CONSIDERING BIRD NET?

Donnybrook Farm Service have in the past imported bird netting for covering orchard fruit trees to exclude birds. We are considering importing more net, but will only do so if there is sufficient demand. The net is good quality and guaranteed for 10 years against UV breakdown.

Growers need to consider the following:

- Width of net
- Colour (Usually black or white)
- Quantity in metres required
- And the weight of the net, measured in grams per square metre.

We will only order a container if there is sufficient interest.

See Glenn with any queries or call to discuss your particular needs on 0407 389 561

## Irishman on a Deserted Island

One day an Irishman, who has been stranded on a deserted island for over ten long years, sees an unusual speck on the horizon.

“It’s certainly not a ship,” he thinks to himself. As the speck

gets closer and closer, he begins to rule out the possibilities of a small boat, then even a raft.

Suddenly, emerging from the surf comes a drop dead gorgeous blonde woman wearing a wet suit and scuba gear.

She approaches the stunned man and says to him, “Tell me how long has it been since you’ve had a cigarette?” “Ten years,” replies the Irishman.

With that, she reaches over and unzips a waterproof pocket on her left sleeve and pulls out a pack of fresh cigarettes. He takes one, lights it, takes a long drag and says, “Faith and begorrah! Is that good!” “And how long has it been since you’ve had a sip of good Irish Whiskey?” she asks him.

Trembling, the castaway replies, “Ten years.” She reaches over, unzips her right sleeve, pulls out a flask and hands it to him. He opens the flask, takes a long swig and says, “Tis absolutely fantastic!”

At this point she starts slowly unzipping the long zipper that runs down the front of her wet suit, looks at the man and asks, “And how long has it been since you’ve played around?”

With tears in his eyes, the man falls to his knees and sobs, “Oh, Sweet Jesus! Don’t tell me you’ve got golf clubs in there too.”
