200L HYDRAULIC OIL - WAS \$753.50 NOW \$643.50 (INC GST)

MOTHER'S MILK

Students in an advanced Biology class were taking their mid-term exam.

The last question was, 'Name seven advantages of Mother's Milk.' The question was worth 70 points or none at all.

One student, in particular, was hard put to think of seven advantages. However, he wrote:

- 1) It is perfect formula for the child.
- 2) It provides immunity against several diseases.
- 3) It is always the right temperature.
- 4) It is inexpensive.
- 5) It bonds the child to mother, and vice versa.
- 6) It is always available as needed.

And then the student was stuck. Finally, in desperation, just before the bell rang indicating the end of the test, he wrote:

- 7) It comes in two attractive containers and it's high enough off the ground where the cat can't get it.

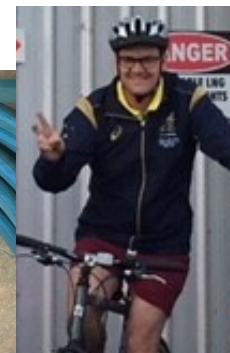

He got an A.

JULY SPECIAL

GranuPotasse® is a granular grade of SOP ideal for bulk blending with a wide range of fertilizers, as well as for direct application. Its granules are compacted to extreme hardness so they can be handled and mixed without damage.

Screening during manufacture and immediately before shipping guarantees uniform granule size and density. To facilitate use, GranuPotasse® is also treated to be dust-free.
